## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a response dated 9-14-05.

The application has been amended as follows:

In claim 21 line 4, after "adjustable", insert -- distance -- .

Examiner notes that claim 21 is a duplication of claim 6 of the original claims, however the word "distance", which was included in line 5 of claim 6 of the original claims was inadvertantly left off from line 4 of new claim 21. Therefore, the current examiner's amendment resolves the problem by inserting the word distance after adjustable in line 4.
